About

Content writer with seven years of experience across freelance and in-house content marketing. I turn complex ideas into clear, useful content for fintech, healthcare and technology brands, combining analytical thinking, research excellence and plain, audience-focused writing. My work spans health, hospitality, tourism, finance, business and entertainment, from web and blog articles and press features to books, scientific papers, academic essays, product reviews and vlog scripts.

Experience

Content Writer

Oct 2024 to Aug 2026

Grey (YC W22) · Contract · Remote

- Created and managed over 500 SEO-driven blog articles across fintech, international payments, banking and cross-border finance.
- Translated complex financial concepts such as USD accounts, virtual cards, international banking and regulatory frameworks into clear, practical content.
- Wrote for freelancers, remote workers, expats, digital nomads and immigrants navigating global finance.
- Produced video scripts and contributed to content strategy across the blog.

Freelance Content Writer

2018 to present

Independent

- Write for brands and individual clients across fintech, health, business and technology.
- Deliver blog posts, web copy, product reviews, technical documentation and academic writing.
- Consistently produce SEO-optimised, audience-focused content on deadline across dozens of niches.

Editor-in-Chief

Jun 2021 to Mar 2022

Alexander Brown Hall Press

- Led a team of student journalists producing weekly news articles, editorials, investigative reports and features.
- Reviewed and edited all submissions before publication to maintain editorial standards.

Content Strategist

Apr 2021 to Oct 2021

Rooah!

- Developed SEO web content and content maps for several client brands.
- Wrote for Rooah's company blog and contributed artist biographies to a database of Nigerian musicians.
